

ABOUT EDEXCEL

What is Edexcel?

Edexcel is a qualification brand for academic and generation qualifications from Pearson. Edexcel's qualifications are world renowned and highly respected, giving learners the opportunity to succeed in life, learning and employment. By combining world-class qualification standards with a forward thinking approach and international content, Edexcel qualifications are the ideal pathway to today's top universities, offering learners access to tomorrow's global opportunities.

They also offer teachers the high-tech support they need to help students achieve their full potential and make the most of these opportunities.

Globally recognized qualifications

Edexcel qualifications give your child the opportunity to study towards academic qualifications that are recognized and revered by the best universities around the world. They prepare your child to excel at degree level in what is now a truly international higher education environment. Edexcel qualifications open doors to the world's leading universities – including Oxford, Cambridge, Harvard, University of Hong Kong, University of Melbourne, and National University of Singapore.

In India, International GCSE is accepted as equivalent to 10th grade of other Indian boards and Edexcel is one of the approved boards and an associate member of COBSE (Council of boards of school education in India).

In India, GCE - 'A' level of Edexcel is recognized by AIU (All India Universities) as equivalent to +2 stage qualification of an Indian Board giving access to the bachelor degree programs at all Indian Universities.
